

1. The heart is a bloom,
shoots up through the stony ground
But there's no room,
no space to rent in this town
You're out of luck,
and the reason that you had to care,
the traffic is stuck,
and you're not moving anywhere.
You thought you'd found a friend,
to take you out of this place

Someone you could lend a hand
in return for grace

R: It's a beautiful day,
the sky falls you feel like
It's a beautiful day
Don't let I get away

2. You're on the road but you've got no destination
You're in the mud, in the maze of her imagination
You love this town even if it doesn't ring true
You've been all over and it's been all over you

R:

Touch me, take me to the other place
Teach me, I know I'm not a hopeless case

See the world in green and blue
See China right in front of you
See the canyons broken by cloud
See the tuna fleets clearing the sea out
See the bedouin fires at night
See the olive fields at first light
See the bird with a leaf in her mouth
After the flood all the colours came out

It was a beautiful day
Beautiful day
Don't let it get away

Touch me, take me to that other place
Reach me, I know I'm not a hopeless case

What you don't have you don't need it now
What you don't know you can feel it somehow
What you don't have you don't need it now
You don't need it now, you don't need it now
Was a beautiful day.....
