In a little while surely you'll be back
In a little while I'll be there
In a little while this hurt will hurt no more
I'll be home, love

When the night takes a deep breath And the daylight has no end If I crawl, if I come crawling home Will you be there

In a little while I will blow by every breeze Friday night running to Sunday on my knees That girl, that girl she's mine and And I've know her since

Since you were a little girl with Spanish eyes Oh, when I saw her in a pram they pushed her by Uuuuh Uuh my, how you've grown Well it's been it's been a little while

Slow down my bleeding heart
Man dreams one day to fly
man takes a rocketship into the skys

He lives on starlets dying in the night And follows in the trail
The scatter of light

Turn it on
Turn it on
You turn me on
Mh Mhhhhhhmm

Slow down my bleeding heart

Slowly, slowly love

Slow down my bleeding heart Slowly, slowly love Slow down my beating heart Slowly, slowly love
