Baby slow down
The end is not as fun as the start
Please stay a child somewhere in your heart

I'll give you everything you want Except the thing that you want You are the first one of your kind

And you feel like no-one before
You steal right under my door
And I kneel 'cause I want you some more
I want the lot of what you got
And I want nothing that you're not

Everywhere you go you shout it You don't have to be shy about it

Some things you shouldn't get too good at Like smiling, crying and celebrity Some people got way too much confidence baby

I'll give you everything you want Except the thing that you want You are the first one of your kind

And you feel like no-one before You steal right under my door I kneel 'cause I want you some more I want the lot of what you got And I want nothing that you're not

Everywhere you go you shout it You don't have to be shy about it, no And you'll never be alone Come on now show your soul You've been keeping your love under control

Everywhere you go you shout it You don't have to be shy about it Everywhere you go you shout it Oh my my

And you feel like no-one before
You steal right under my door
I kneel 'cause I want you some more
I want you some more, I want you some more...
