

It's falling it's falling
And outside a buildings comes tumbling down
And in a child on the ground
Says he'd do it again
And what am I to do
What in the world am I to
There's nothing to do
He says he'll change the world someday

I rejoice

This morning I fell out of my bed when I woke up
To what he has said
And maybe it's crazy
But I'm too lazy to lie

And what am I to do
Just tell me what am I supposed to say
I'll can't change the world
But I can change the world in me
I rejoice

Rejoice... ohrejoice

And what am I to do
Just tell me what am I supposed to say
I'll can't change the world
But I can change the world in me
I rejoice

I don't know what to change

Rejoice...
