```
Love love love love...
Love love love love...
I got stand up and take a step
You and I have been asleep for hours
I got to stand up
The wire is stretched in between our two towers
Stand up in this dizzy world
Where a lovesick eye can steal the view
I'm gonna fall down if I can't stand up
For your love
Love love love love...
Stand up, this is comedy
The DNA lottery may have left you smart
But can you stand up to beauty, dictator of the heart
I can stand up for hope, faith, love
But while I'm getting over certainty
Stop helping God across the road,
Like a little old lady
```

Out from under your beds Come on ye people Stand up for your love

Love love love love...

I gotta stand up to ego bet my ego's not really the enemy It's like a small child crossing an eight lane highway On a voyage of discovery

Stand up to rock stars, Napoleon is in high heels Josephine, be careful of small men with big ideas

Out from under your beds Come on ye people Stand up for your love

Love love love love...

God is love And love is evolution's very best day

Soul rocking people moving on Soul rocking people on and on Come on ye people We're made of stars Come on ye people Stand up then sit down for your love

Love love love love... Love love love love...
