

# Where The Streets Have No Name

U2

1. I wanna run I want to hide  
I wanna tear down the walls that hold me inside  
I wanna reach out and touch the flame  
Where the streets have no name.

2. I wanna feel, sunlight on my face  
See that dust cloud disappear without a trace  
I wanna take shelter from the poison rain  
Where the streets have no name, ho

R: Where the streets have no name  
Where the streets have no name  
We're still building then burning down love,  
burning down love  
And when I go there,  
I go there with you  
It's all I can do

3. The city's a flood, and our love turns to rust  
We're beaten and blown by the wind, trampled in dust  
I'll show you a place high on a desert plain, yeah

Where the streets have no name

R: Where the streets have no name...

\*: Our love turns to rust  
We're beaten and blown by the wind  
Blown by the wind. Oh and I see love,  
see our love turn to rust  
And we're beaten and blown by the wind, blown by the wind  
Oh when I go there  
I go there with you, it's all I can do
