## **Heart Of An Angel**

Woah I I've been searching all my life It's about time That I found my lucky star Gonna fly me To the heart of an angel Where I'll spend the rest of my life Until Eternity (Never to look down) (My feet will never touch the ground) Holy is the Heart of an Angel She's closer now Than I've ever felt before Cloud 9 Should I jump or should fall? Fly me To the heart of an angel Where I'll spend the rest of my life Until Eternity (Never to look down) (My feet will never touch the ground) Holy is the Heart of an Angel Fly me to the heart of an Angel Where I know Heaven's just a touch away Destiny Is just like walking on the moon She breathes It means the winds are changing soon Gonna fly me To the heart of an angel Where I'll spend the rest of my life Until Eternity (Never to look down) (My feet will never touch the ground) Holy is the Heart Fly me To the heart of an angel Where I can spend the rest of my life Until Eternity (Never to look down) (My feet will never touch the ground) Holy is the Heart of an Angel My feet will never touch the ground Holy is the heart... Of an Angel
