

# Twilight

Vanessa Carlton

I was stained, with a role, in a day not my own  
But as you walked into my life you showed what needed to be shown  
And I always knew, what was right I just didn't know that I might  
Peel away and choose to see with such a different sight

And I will never see the sky the same way and  
I will learn to say good-bye to yesterday and  
I will never cease to fly if held down and  
I will always reach too high cause I've seen, cause I've seen,  
twilight

Never cared never wanted  
Never sought to see what flaunted  
So on purpose so in my face Couldn't see beyond my own place  
And it was so easy not to behold what I could hold  
But you taught me I could change Whatever came within these shallow days

And I will never see the sky the same way and  
I will learn to say good-bye to yesterday and  
I will never cease to fly if held down and  
I will always reach too high cause I've seen, cause I've seen

As the sun shines through it pushes away and pushes ahead  
It fills the warmth of blue and leaves a chill instead and  
I didn't know that I could be so blind to all that is so real  
But as illusion dies I see there is so much to be revealed

And I will never see the sky the same way and  
I will learn to say good-bye to yesterday and  
I will never cease to fly if held down and  
I will always reach too high cause I've seen, cause I've seen,  
twilight

And I always knew, what was right
