You And Me

Vengaboys

Looking out for love In the night so still Oh I'll build you a kingdom In that house on the hill Looking out for love Big, big love

You said that you love me And that you always will Oh you begged me to keep you In that house on the hill Looking out for love Big, big love

I wake up alone With it all I wake up But only to fall

Looking out for love Big, big love Just looking out for love Big, big love
