

# Love Is A Heavy Word

Violent Soho

I hate your photos  
Your stupid sports clothes  
I'm your lover  
And your reject too

She's an idiot  
Not illiterate  
De-censored  
Mute playboy

Love, love is a heavy word  
I said love, love is a heavy word  
I said love, love is a heavy word  
I said love, love is a heavy word

But I'm in love  
I'm in love now  
Yeah, I'm in love  
I'm in love now, yeah

Yeah, got my head up here  
Too high  
Got my head up here  
Too high

Stapled Stomach  
Pretty monarch  
Ridicule all the boys  
With a high IQ

He's illiterate  
Inconsiderate  
Analyse all the minds  
Of the fools, oh

Love, love is a heavy word  
I said love, love is a heavy word  
I said love, love is a heavy word  
I said love, love is a heavy word

But I'm in love  
I'm in love now  
Yeah, I'm in love  
I'm in love now, yeah

Yeah, got my head up here  
Too high  
Got my head up here  
Too high

Love, love is a heavy word  
I said love, love is a heavy word  
I said love, love is a heavy word  
I said love, love is a heavy word

Say my name, send a letter to God  
Say my name, send a letter to God

Say my name, send a letter to God  
Say my name, I'll say yours too, yeah

Yeah, got my head up here  
Too high  
Got my head up here  
Too high
