

By the Hammer of Zeus (And the Wrecking Ball of Thor)

Virgin Steele

I know I taste your essence
With the Blackness of my mind
Pain is me and I'm relentless
The Wedding Bells of Death now chime
In the Darkness of your mourning
All your treasures become mine

A living flame
Will be your Star to follow
Stolen Splendor I am there...
BY THE HAMMER OF ZEUS
AND THE WRECKING BALL OF THOR!!!

Black is my heart in spite of the Dawn
Black is my Soul with Fear, Force and Malice
I bring the Sun from out of the Dark
Rabid & Sharp you'll feel the Madness
from my Black Dead World

Evil Winds blow on the Water
Fill your mouth with poison Wine
All behold and the Arts of Murder
The Seven Winds of Ann cry
Thunder, Spear and Sacred Iron
Set a course for Man Divine

The Mountain Flame will be your Star to follow
Golden splendor... I am there...
BY THE HAMMER OF ZEUS
AND THE WRECKING BALL OF THOR!!!

Black is my heart in spite of the Dawn
Black is my Soul with Fear, Force and Malice
I bring the Sun from out of the Dark
Rabid & Sharp you'll feel the Madness
from my Black Dead World

Savage I start to tear out your eyes
The Gods swarm like flies in the starlight...
True Flesh is born to rape Ancient forms
A Grave for your world where the God Light
tears your soul

I am the Son of the Sun, I am the wrecker of pain
I am the Son of the Sun born to no one -
I am the wrecker of pain -
Nothing remains of your world...

Savage I start to tear out your eyes
The Gods swarm like flies here on my Sacrifice
Kingship has come to Heaven's new Son
A Grave for your World
as the starlight bleeds you gold

I know I claim your essence
In the Blackness of my mind
Pain is me and I'm relentless

The Wedding bells of Death now chime

The Golden Hawk will be your Start to follow
Throne of Fire I am there...
