

The Uzbek Brothel

Viza

It was half past the hour and my knees were very shaky.
Down the hall to the right there is a woman named, "Tatiana."
So I went there she was with this fire in her thighs.
"Get undressed lay in bed I'll be ready in a sec but before..."

What's the deal now baby?

Quarter till the hour and the room was shaky.
Watch the watch it's my mother's favourite watch.
She's a tiger, she's a snake, she has very low rates.
I recommend she's every dollar well spent.

She's going to be so sweet.
