

# Kingdom (Restoration)

VNV Nation

Our domain, this kingdom come  
Now godless lands whose ways are lost  
Without the strength to carry on  
All values lost, all virtue none  
Did you think you would be saved  
By burning flags to cleanse yourselves of shame?  
Or are you afraid, are you afraid  
As you stare back at your face?  
Or are you ashamed, are you afraid  
By destroying what the gods once gave?  
Do you think you'll be saved?  
Do you think you'll be saved?

And I believe that we'll conceive  
To make in hell for us a heaven  
A brave new world, a promised land  
A fortitude of hearts and minds  
Until I see this kingdom is mine  
I'll turn the darkness into light  
I'll guide the blind  
My will be done, until the day  
I see our kingdom has been won

No more the servants of the weak  
Devoid of thought or light to seek  
I'll leave no walls, no stone unturned  
Every tower must be razed  
To the dust from which it came  
And none will be spared, no remnant saved  
Are you ashamed, are you afraid  
Of the gods and idols that you have made?  
Do you think you'll be saved  
By the gods and idols you have made?

None will be saved  
None will be saved  
None will be saved

And I believe that we'll conceive  
To make in hell for us a heaven  
A brave new world, a promised land  
A fortitude of hearts and minds  
Until I see this kingdom is mine  
I'll turn the darkness into light  
I'll guide the blind  
My will be done, until the day  
I see our kingdom has been won

None will be saved  
None will be saved  
None will be saved

And I believe that we'll conceive  
To make in hell for us a heaven  
A brave new world, a promised land  
A fortitude of hearts and minds  
Until I see this kingdom is mine

I'll turn the darkness into light  
I'll guide the blind  
My will be done, until the day  
I see our kingdom has been won
