Burning the Witches

Warlock

When the day is over The devil is near The people who know it Are full of fear

When the devil is coming A virgin will die A soldier of the darkness Will take her life

The demon takes the body
Of the bloodless gal
Outside she's looking pretty
Inside a beast of hell

That's what you are callin' A hellcat or a witch And only if she's burning The demon will die

Burning the witches
The evil cries
By burning the witches
The demon dies
By burning the witches
The demon dies by fire

The witches are hunting Your soul and your blood And if you can't escape They take all that you've got

A soul of the virgin Can find no peace Till the fire is killing The witch - they can be free

Burning the witches
The evil cries
By burning the witches
The demon dies
By burning the witches
The evil cries by fire!

By burning the witches
The demon dies
By burning the witches
The evil cries
By burning the witches
The demon dies
By burning the witches
The evil cries
By burning...
