

I'm Free

Wasted Penguinz

I'm free now (2x)

I'm free now

Don't have to worry 'bout anything at all

Living my life the way it was meant to be

Forget about the past

All the anxiety

All the pain

I'm finally free

Totally f**king paralyzed by the rules of society (society)

Escape into my own world

The world of hardstyle

It is what I live for!

I'm free now

Don't have to worry 'bout anything at all
