

I Just Can't Wait

Waylon Jennings

When I was one 'til I was three
My mom and dad took care of me
Now I'm four and the world's alive
And I just can't wait until I'm five
I just can't wait until I'm five

When I am six there is a rule
Kids like me all start to school
Somewhere between seven and eight
I'll start to grow and I just can't wait
I'll start to grow and I just can't wait

Nine is weird as it can be
My brother's nine and he picks on me
But I just can't wait until I'm ten
I'll be completely grown by then
I'll be completely grown by then
