

I Wonder Just Where I Went Wrong

Waylon Jennings

Your love, I'm no longer sure of
Seems there's times you'd rather be alone
And if I'm losing you tell me what did I do
Oh, I wonder just where I went wrong.

Even though I still feel the same
I can't help but feel I'm to blame
Have I done all that I can do to show my love for you
Oh, I wonder just where I went wrong.

Even though I still feel the same
I can't help but feel I'm to blame
Have I done all that I can do to show my love for you
Oh, I wonder just where I went wrong.

Oh, I wonder just where I went wrong...
