

# It Should Be Easier Now

Waylon Jennings

Now that I've made up my mind you're gone it should be easier now

Perhaps now my heart will stop hanging on it should be easier now

The lesson I've learned from you gold can't buy a heart can be broken and still survive

Thanks to you now a much wiser man am I and it should be easier now

The worst now is over I've stood the test it should be easier now

They say everything happens for the best it should be easier now

The wounds in my heart you've carved deep and wide

Hollowed and washed by the tears I've cried

But now there'll be more room for love inside and it should be easier now
