## **No Regrets**

## **Waylon Jennings**

I know your leaving's too long overdue For too long I've had nothing new to show you Goodbye dry eyes I've watched your plain feet off west to the m oon It felt so strange to walk away alone.

No regrets, no tears, goodbye Don't want you back We'd only cry, again Say goodbye, again.

The hours that were yours echo like empty rooms The toughts we used to share I now keep alone I awoke last night and spoke to you not thinking you were gone And it felt so strange to lie awake alone.

No regrets no tears goodbye Don't want you back We'd only cry, again Say goodbye, again.

Our friends have tried to turn my nights to day Strange faces in your place can't keep the ghost away Just beayond the darkest hour just behind the dawn It feels so strange to leave my life alone.

No regrets no tears goodbye Don't want you back We'd only cry, again Say goodbye, again...
