Pretend I Never Happened

Waylon Jennings

Pretend I never happened Erase me from your mind You will not want to remember Any love as cold as mine.

I'll be leavin' in the mornin'
For a place I hope I find
All the place must be better
Than the ones I leave behind.

I don't suppose you'll be unhappy You'll find ways to spend your time But if you ever think about me If I ever cross your mind.

Just pretend I never happened Erase me from your mind, girl You will not want to remember Any love as cold as mine.

I don't suppose you'll be unhappy You'll find ways to spend your time But if you ever think about me If I ever cross your mind.

Just pretend I never happened Erase me from your mind, girl You will not want to remember Any love as cold as mine...
