

So Good Woman

Waylon Jennings

Just so good woman Lord you're just too good for me
The way I am is the way I'll always be
You know I'll run around all of my life
You could've done better cause you been a good wife
You're so good woman Lord you're just too good for me.

You're so good lookin' Lord you could've done better than me
You're so good lookin' no you could've done better than me
Look at them men lookin' you too while you're lookin' at me and
I'm happy you do
You're so good lookin' Lord you could've done better than me, y
eah.

Look at the man lookin' at you too
But you're lookin' at me Lord, I'm happy you do
You're so good lookin' Lord you could've done better than me
And you're so good woman you're just too good for me...
