T for Texas

Waylon Jennings

Yeah T for Texas T for Tennessee I said T for Texas T for Tennessee

T for that no good woman no good gal that made a wreck out of me Lord

I'd rather drink myself muddy water sleep all night in a hollow log

I'd rather drink a muddy water sleep all night in a hollow log Than to hang around now and be put down and treated like a dirt $y \, dog$

If you don't want me woman just say so that's all

If you don't want me woman all you gotta do is come around and
say so that's all

Cause I can get myself more women than a passanger train can ha ul

T for Texas T for Tennessee I said T for Texas T for Tennessee T for Telma no good gal that made a wreck of me (come hear me yodel)
