

# Walk On Out of My Mind

Waylon Jennings

I hear the echo of your footsteps  
they're right in step with marching time

Since you've walked out of my life and out of my world  
please walk on out of my mind

I know you're hidin' there in the darkness  
and it's got me running scared and blind

Since you've walked out of my life out of my world  
please walk on out of my mind

You've got footprints all over my mem'ries  
I must erase them if I can

You keep stumbling through my hopes and dreams  
kickin' around my future plans

You've got me walking round in circles  
looking for something I'll never find

Since you've walked out of my life and out of my world  
please walk on out of my mind
