

What About You?

Waylon Jennings

The days have been long and I have been lonesome
Recalling the dreams that never came true
Nights have been lonely but now that's all over
'Cause I've payed my debt for trusting in you.

Every day your mem'ry grows dimmer
Clouds drift away, sunshine peeps through
Every night no longer you'll haunt me
My conscience is clear, what about you?

It's hard to believe that you are the same one
That once meant so much that I loved so true
It's hard to know I've worshipped to wrong one
But I've paid for it what about you.

Every day your mem'ry grows dimmer
Clouds drift away, sunshine peeps through
Every night no longer you'll haunt me
My conscience is clear, what about you?

Every day your mem'ry grows dimmer
Clouds drift away, sunshine peeps through
Every night no longer you'll haunt me
My conscience is clear, what about you?...
