## You Can Have Her

## Waylon Jennings

Well, you can have her I don't want her She didn't loved me anyway She only wanted Someone to play with But all I wanted was love to stay.

The girl I love Upped and left me She ran away with my best friend Comes home at night For just an hour When daylight comes she's gone again.

You can have her I don't want her She didn't loved me anyway She only wanted Someone to play with But all I wanted was love to stay.

When you're stuck With the wrong woman There ain't that much that you can do You just dig a hole And crawl right in it Then you pull the ground right over you.

You can have her I don't want her She didn't loved me anyway She only wanted Someone to play with But all I wanted was love to stay.

Life without love Is mighty empty But confession is good for your soul I'd rather have love For just an hour Than have the world and all of its gold.

You can have her I don't want her She didn't loved me anyway She only wanted Someone to play with But all I wanted was love to stay.

Yeah, you can have her I don't want her She didn't loved me anyway She only wanted Someone to play with But all I wanted was love to stay...
