You've Got to Hide Your Love Away

Waylon Jennings

Here I stand hand in hand Turning my face to the wall If she's gone I can't go on With no love at all.

Everywhere people stare
Each and every day
I can see them laugh at me
I can hear them say.

You've got to hide your love away. You've got to hide your love away.

How can I even try, I can never win Hearin' them, seein' them in the state I'm in How could she say to me love will find a way Gather round all you clowns let me hear you say.

You've got to hide your love away...
