

That's What Daddy Wants

Wayne Hancock

Do you see that gal with the blue dress on
That's what daddy wants
My low-down blues are long gone
That's what daddy wants

Well that's what daddy wants
Well that's what daddy wants
I want a gal to treat me right
That's what daddy wants

Go honky-tonkin' every night
That's what daddy wants
Everyday she passes by
That's what daddy wants
She's sure a sight for my soar eyes
That's what daddy wants
If she was mine my love would fly
That's what daddy wants

Well that's what daddy wants
Well that's what daddy wants
I want a gal to treat me right
That's what daddy wants

Goes juke joint jumpin' every night
That's what daddy wants

Well that's what daddy wants
Well that's what daddy wants
I want a gal to treat me right
That's what daddy wants

Goes juke joint jumpin' every night
