

# One More Time

Webb Pierce

I wonder what the power is that you hold over me  
I never get to love you long just your memory  
And I make a vow each time you leave that this will draw the line  
Then you come back and just like that I'm falling one more time  
One more time my lips will kiss you one more time my arms will hold you  
But it won't be long until you're gone with a memory left behind  
And I just know that when you go I'll be lonely one more time

Your nearness makes me weaken and I give in to you  
And I'm doing all the things that I said I wouldn't do  
And I make a vow each time you leave that this will draw the line  
Then you come back and just like that I'm falling one more time  
One more time my lips will kiss you
