St Ides of March

White Stripes

Ain't she lookin' good Ain't she lookin' fine Ain't she lookin' fine And she takes her time Don't you walk away

Sweet potato pie Sweet sugar plum Sweet sugar plum But look what you done Don't you walk away

Ain't she lookin' good Ain't she lookin' fine Ain't she lookin' fine And she takes her time Don't you walk away

Sweet potato pie Sweet sugar plum Sweet sugar plum But look what you done Don't you walk away

Oh, no, oh

Ain't she lookin' good Ain't she lookin' fine Ain't she lookin' fine And she takes her time Don't you walk away

Sweet potato pie Sweet sugar plum Sweet sugar plum But look what you done Don't you walk away

Yeah! Yeah!
