My Heart Is Calling

Whitney Houston

Who would've thought of it That I might feel like this Some kind of wonderful There's nothing quite comparable

The thing about it is
It's oh so innocent
I wasn't looking for
It came knockin' at my door

I'm trying to do things right
But I'm about to lose this fight
'Cause spending time with you
Well, it feels so good and that's the truth

And every day with you I swear it brings me closer to my only reservationis you My sweet temptation, baby.

Oh, my heart is calling I'm falling for you
Oh, my heart is calling I'm falling for you

Who could imagine it I found my happiness In someone I barely know And I like to take it slow

But you're so diferent, boy You're breaking all my rules What is it in your smile that makes me feel the way I do

I'm trying to live my life
And I'm trying to live it right
If I desire you
It ain't because I'm trying to

Boy, everyday with you I swear it brings me closer to My only reservation is you, My sweet temptation, baby

Oh, my heart is calling I'm falling for you
Oh, my heart is calling I'm falling for you

I've given it consideration (uh huh)
And it all adds up to you
I won't deny this heart is calling for you, baby
I've given it alot of thought (uh huh)
And it all ends up on you
My sweet temptation
God knows I'm falling for you

Oh, my heart is calling I'm falling for you Oh, my heart is calling I'm falling for you

Is is in your smile, boy Is it touch, baby I don't know why I don't know why I don't know why...
