

After Afterall

William Fitzsimmons

i still love you
i still want you
i still need you
after all

for better or worse
sickness and health
till death do us part
after all

please don't keep me
(please don't leave me)
please don't keep me
(please don't leave me)
please don't keep me
(please don't leave me)

after all
(after all)
after all
(after all)

....
