This day and age we're living in Gives cause for apprehension With speed and new invention And things like fourth dimension Yet we get a trifle weary With Mr. Einstein's theory So we must get down to earth at times Relax relieve the tension And no matter what the progress Or what may yet be proved The simple facts of life are such They cannot be removed

You must remember this
A kiss is still a kiss
A sigh is just a sigh
The fundamental things apply
As time goes by

And when two lovers woo
They still say, "I love you"
On that you can rely
No matter what the future brings
As time goes by

Moonlight and love songs
Never out of date
Hearts full of passion
Jealousy and hate
Woman needs man
And man must have his mate
That no one can deny

Well, it's still the same old story
A fight for love and glory
A case of do or die
The world will always welcome lovers
As time goes by
Oh yes, the world will always welcome lovers
As time goes by
