

Graceland

Willie Nelson

The Mississippi Delta was shining like a National guitar
I am following the river down the highway through the cradle of
the Civil War
I'm going to Graceland Graceland in Memphis Tennessee I'm going
to Graceland
Poorboys and pilgrims with families and we are going to Graceland
My traveling companion is nine years old the child of my first
marriage
But I've reason to believe we both will be received in Graceland

She comes back to tell me she's gone
As if I didn't know that as if I didn't know my own bed
As if I'd never noticed she way she brushed her hair from her forehead
And she said losing love is like a window in your heart
Everybody sees you're blown apart everybody feels the wind blow
I'm going to Graceland Graceland in Memphis Tennessee I'm going
to Graceland
Poorboys and pilgrims with families and we are going to Graceland
My traveling companions are ghosts and empty sockets ghosts and
empties
But I've reason to believe we both will be received in Graceland

There is a girl in Austin Texas and she calls herself the human
trampoline
Sometimes when I'm falling flying tumbling in turmoil I say this
is what she means
She means we're bouncing into Graceland
And I see losing love is like a window in your heart
Everybody sees you're blown apart everybody feels the wind blow
And I'm going to Graceland in Memphis Tennessee I'm going to Graceland
For reasons I cannot explain some part of me wants to see Graceland
And I may be obliged to defend every love every ending
Or maybe there's no obligations now
Maybe I've a reason to believe we all will be received in Graceland
Oh oh Graceland I'm going to Graceland
