I heard there was a secret chord That David played and it pleased the Lord But you don't really care for music, do you?

It goes like this the fourth, the fifth The minor fall, the major lift The baffled king composing Hallelujah

Hallelujah Hallelujah

Your faith was strong but you needed proof You saw her bathing on the roof Her beauty and the moonlight overthrew you

She tied you to her kitchen chair She broke your crown and she cut your hair And from you lips she drew the Hallelujah

Hallelujah Hallelujah

You say I took the name in vain
I don't even know the name
But if I did, well, really, what's it to you?

There's a blaze of light in every word And it doesn't matter which you heard The holy or the broken Hallelujah

Hallelujah Hallelujah

I did my best, it wasn't much
I couldn't feel, so I tried to touch
I've told the truth, I didn't come to fool you

And even though it all went wrong
I'll stand before the Lord of Song
With nothing on my tongue but Hallelujah

Hallelujah Hallelujah Hallelujah
