

I Love You Because

Willie Nelson

I love you because you understand dear every single thing I try
to do
And you're always there to lend a halping hand dear
But most of all I love you cause you're you
No matter what the world may say about me
I know your love will always see me through
I love you for the way you never doubt me but most of all I lov
e you cause you're you

I love you because my heart is lighter every time I'm walking b
y your side
And I love you because the future's brighter the door to happin
ess you opened wide
No matter what may be the style or season
I know your love will always see me through
I love you for a hundred thousand reasons
But most of all I love you cause you're you
