

# I Walk Alone

Willie Nelson

I'll walk alone  
Where once we wandered  
It seems so strange  
Since you are gone  
Till you return  
I'll stay the same, dear  
I'll still be true  
And walk alone

By stars above  
I swear to love you  
With all the love  
I've ever known  
While we're apart  
I'll stay the same, dear  
And when teardrops start  
I'll walk alone

The flame of love  
Is brightly burning  
And you know that I'm  
Your very own  
Each night I pray  
For your returning  
But while you're gone  
I'll walk alone
