

# Old Fords And A Natural Stone

Willie Nelson

Papa's words ringin' in my ears son you got to get tighter with  
your tears  
Just because she's leaving don't start believing  
That your rock'n roll days are gone  
'Cause nothing lasts forever but old Fords and a natural stone  
And when those sad songs and slow hurtin' songs  
Get you down while you're alone it won't hurt long  
'Cause nothing lasts forever like old Fords and a natural stone

Diamonds are forever and these old cars they still keep rolling  
on  
And all those I love you forever's they're just words that can't  
be depended on  
'Cause when they're wrong they're wrong and when they're gone,  
they're gone  
'Cause nothin' lasts forever but old Fords and a natural stone  
Papa's words ringin' in my ears son you got to get tighter with  
your tears
