

Summer of Roses

Willie Nelson

A short time I have to be with you my love
But a short time is better than no time you see
So I bring to you all my possessions and would that you'd share
them with me
I bring you one springtime of robins one springtime of robins t

And I bring you one summer of roses one summer of roses I bring
I bring you one autumn dry leaves dry leaves will be helpful yo

To soften the fall of your snowflakes when I bring you your win
