A short time I have to be with you my love

But a short time is better than no time you see

So I bring to you all my posessions and would that you'd share them with me

I bring you one springtime of robins one springtime of robins to sing

And I bring you one summer of roses one summer of roses I bring I bring you one autumn dry leaves dry leaves will be helpful you know

To soften the fall of your snowflakes when I bring you your win ter of snow
