

The Message

Willie Nelson

I'm writing you this note to say I'm sorry
That spells S-O-are-why ever coming home
Can you find it in your heart dear to forgive me
That spells F-O how I miss you since you're gone
There are so many things
That I want to say tonight
But my mind keeps moving faster
Than my pen can write
But I hope and pray somehow
The message still gets through
That spells M-E-S-S-A-GE I love you

There are so many things...
