Waltz Across Texas

Willie Nelson

When we dance together my world's in disguise it's a fairyland tale that come true

And when you look at me with those stars in your eyes I could waltz across Texas with you

Waltz across Texas with you in my arms waltz across Texas with you

Like a storybook ending I'm lost in your charms And I could waltz across Texas with you

My heartaches and troubles are just up and gone the moment that you come in view

And with your hand in mine dear I could dance on and on And I could waltz across Texas with you Waltz across Texas $\frac{1}{2}$
