

Back in Your Arms

Wilson Pickett

Engine, engine number 9
Can you get me back on time?
Move on, move on down the track
Keep that steam comin' out the stack
Keep on movin', keep on movin', keep on movin'

Engine, engine number 9
Keep on movin' down the line
Seems like I've been gone for days
I can't wait to see my baby's face

Been here, been so long since I held her
Been so long since I held her
Been so long since I held her
Been so long since I kissed her

Engine, engine number 9
Move on, move on down the line
Seems like I've been gone for days
I can't wait to see my baby's face
Move on, move on, move on
Got to get on, I got to get there

Oh, this soundin' alright?
I think I'm gonna hold it a little bit longer
I'm gonna let the boys do this a little bit
Keep on movin', keep on movin', keep on movin'

Move on, move on, get, get, get, get it
Got to, got to, got to, got to, got to get it

Move on, Lord have mercy, feel alright then
Keep on movin', keep on movin'
Got to keep movin', gotta get
Gotta, gotta, gotta, gotta, gotta, gotta
Gotta, gotta, gotta, gotta keep movin'

It's alright, play your guitar, son
Get it, get it, get it
Feel alright, get me to my baby's place
Got to hold her in my arms, move on

Got to keep movin', got to keep movin'
Got to keep movin', down the, down the
Down the, down the line
Got to keep movin', got to move
