

# I Found A True Love

Wilson Pickett

I found a true love  
I swear by the stars above  
I know she's mine  
Mine, all mine

I found a true love  
I call her Magnolia  
I know she's mine  
Mine, all mine

One more  
One more thing

She don't try to play the field  
She got a love that's real  
And that makes her mine  
Mine, all mine

She's got the  
Kind of thing about her  
That makes me  
Can't do without her

And, oh, she's mine  
Mine, all mine

When I get up in the morning  
With all my might  
Lord, have mercy

And I give her good loving  
Yes, I do, child  
Soothe her all the time  
Oh, yeah

She picked me up  
Oh, yes, she did  
I was falling on down, oh, yeah  
Oh, she placed my feet, y'all  
Oh, yeah, placed em  
On solid ground

And I can shout about her  
Yeah, ow, owwww, oh, ow  
And she's mine, mine, mine  
Ahh, Lord, have mercy
