

# Putting It Out There

Wynter Gordon

Alone in a room  
Or out in the crowd  
All that I see is you and me  
We're deeper than skin  
We're outside the box  
Forever free.

No need to keep it a secret.  
You only gotta believe in.  
Wherever we go  
Whatever we do  
We'll always be true.

With pride in our hearts  
We putting it out there  
For everyone to see  
You can tear us apart  
We putting it out there  
You know you not alone  
To fight it every moment  
Tonight the world will know who we are  
Putting it out there

I'm all wired up  
There's no coming down  
I'm sure of the way that I'm feeling  
There's never enough  
Of more than I love  
I care that I'm breathing

No need to keep it a secret.  
You only gotta believe in.  
Wherever we go  
Whatever we do

We'll always be true.

With pride in our hearts  
We putting it out there  
For everyone to see  
You can tear us apart  
We putting it out there (Oh yeah)  
You know you're not alone  
To fight it every moment  
Tonight the world will know who we are  
Putting it out there

Out there, out there, we're out there, we're out there  
There there there

We're a harmony  
Like angels singing a song  
Maybe we're meant to be  
Just the way we are

With pride in our hearts  
We putting it out there

For everyone to see  
You can tear us apart  
We putting it out there  
You know you not alone  
To fight it every moment  
Tonight the world will know who we are  
Putting it out there

Out there, out there, Out there, out there,  
Because we're a harmony, a harmony  
We're a harmony, a harmony, a harmony

Out there, out there, out there, out there, out there, out
