Young Dolph

Motherfuckers always tryna figure out why I don't care about nothin', yeah

Yeah, I came from nothin', I grew up with nothin'  
Yeah I'm a hustler, made somethin' out of nothin'  
Swear that she a bad bitch but that bitch is nothin'  
Heh, yeah, aye  
Yeah, I came from nothin', I grew up with nothin'  
Swear that she a bad bitch but that bitch is nothin'  
Yeah I'm a hustler, made somethin' out of nothin'

I ain't never gave a bitch a dime  
I ain't never gave a bitch time  
All these rappers mad at me cause I ain't signed  
And I got more money than they CEO  
I judge my bitches by who got the best deep throat  
I judge by niggas by who never let they gun show  
I came up from across the track where niggas starvin' at  
Where niggas cross out they own brother and they heartless at  
Some fuck niggas that used to sell my mama crack  
I flex on that bitch as I cop them coupes back to back  
I've been havin' pussies hatin' on me my whole life  
That's why I just pulled off with 400 thou worth of ice

Yeah, I came from nothin', I grew up with nothin'  
Yeah I'm a hustler, made somethin' out of nothin'  
Swear that she a bad bitch but that bitch is nothin'  
Heh, yeah, aye  
Yeah, I came from nothin', I grew up with nothin'  
Swear that she a bad bitch but that bitch is nothin'  
Yeah I'm a hustler, made somethin' out of nothin'

Went from trappin' to rappin', they can't believe I made it  
I pulled this shit off and didn't sign to a major  
Got more money than your whole team that's why you bitches hatin'  
I mean that shit when I say I'm a rich crack baby  
Send them boys up in your spot and leave it vacant  
South Memphis nigga down in Florida with the Haitians  
Play with me lil nigga, you know my occupation  
That bitch swear she bad but she ain't  
Only 10% of my cash in the bank  
I'm so focused on the money that I don't blink  
They told me don't drink and drive, drive and drink  
Ridin' southern they go fast, neck full of bling

Yeah, I came from nothin', I grew up with nothin'  
Yeah I'm a hustler, made somethin' out of nothin'  
Swear that she a bad bitch but that bitch is nothin'  
Heh, yeah, aye  
Yeah, I came from nothin', I grew up with nothin'  
Swear that she a bad bitch but that bitch is nothin'  
Yeah I'm a hustler, made somethin' out of nothin'
