

Stackin' Paper

ZZ Top

Stackin' paper
Cheese and huevos
Give me another million dollars
Another million

Stackin' paper
My money maker
I'm ready and I'm willin'
Just stack a billion

Listen, buddy, brother
'Cause sister got to have it too
Hey, hey, hey, now

I hit it in Reno
Then in Monte Carlo
I can hit it everywhere

Loaded and truckin'
If you're shy, just fuck it
If I'm smellin' green
Then I don't care

Listen, buddy, brother
'Cause sister got to have it too
Hey, hey, hey, now

Hey
Stackin' the paper, baby

Stackin' paper
Cheese and huevos
Give me another million

Stackin' paper
My money maker
I'm ready and I'm willin'
Just stack a billion

Listen, buddy, brother
'Cause sister got to have it too
Hey, hey, hey, now
Hey, hey, hey, now
Hey, hey, hey, now
