

What Would You Do?

ZZ Top

What would you do
If you was to love me
What would you do
If I loved you too
I' know that I'd
Fall like a sinner
I'd rather fall in sin
than fall and lose ?

What would you do
If you was to fuck me
What would you do
If I fuck you too
I know that I'd
Fall like a sinner
I'd rather fall in sin
Than fall and lose ?

Sometimes someone gets down and out
Sometimes someone get love divine

What would I do
If you was to fuck me
What would you do
If I fuck you too
I know that I'd
Fuck like a sinner
I know that I'd
Fuck you till you're blue
I know that I'd
Fuck you till you're blue
