

## Gold Rush Brides

10,000 Maniacs

Follow the typical signs, the hand-  
painted lines, down prairie roads.  
Pass the lone church spire.  
Pass the talking wire from where to who knows?  
There's no way to divide the beauty of the sky from the wild we  
stern plains.  
Where a man could drift, in legendary myth, by roaming over spa  
ces.  
The land was free and the price was right.

Dakota on the wall is a white-robed woman, broad yet maidenly.  
Such power in her hand as she hails the wagon man's family.  
I see Indians that crawl through this mural that recalls our hi  
story.

Who were the homestead wives?  
Who were the gold rush brides?  
Does anybody know?  
Do their works survive their yellow fever lives in the pages th  
ey wrote?  
The land was free, yet it cost their lives.

In miner's lust for gold.  
A family's house was bought and sold, piece by piece.  
A widow staked her claim on a dollar and his name, so painfully  
.  
In letters mailed back home her Eastern sisters they would moan  
as they would read accounts of madness, childbirth, loneliness  
and grief.
