

Lineage closed  
Dissolved In its birth  
Tragedy  
Prelude a balance Is a synergy  
Of reason  
Malicious hope  
As techno atrocities  
Lapse their effects  
Associate these ends  
Their clarity  
Demands your revenge  
Please compensate  
Not  
Deny  
Jungle  
Revenge  
Infanticide  
Crosses  
Very thin walls  
Latent casualties  
Arrive  
From fatal initiation  
No longer recessive  
Genetic aliens abandoned  
Plain deceit  
In the mirage of  
A just one time cause  
We'd all changed  
The clocks  
No ladies auxiliary to kiss  
Their blistered cheeks  
Gone
