

Drug of Choice

10 Years

Sex always sells.
Death is a thrill.
Imitate my lack of patience.
How much we pay to be Taylor made.
Fashion slaves the trends will change.

Now what is your drug of choice.
Pick your poison and enjoy.
What is your drug of choice.
Pick your poison and enjoy.

Disasterbation the thrill of a nation.
Temptation is for sale.
Disasterbation the death of a nation.
Manipulate yourself.

Reality scripted TV.
Chasing fifteen minutes of fame.
Fight over fuel.
Violence in school.
The youth are as confused as I am.

Now what is your drug of choice.
Pick your poison and enjoy.
What is your drug of choice.
Pick your poison and enjoy.

Disasterbation the thrill of a nation.
Temptation is for sale.
Disasterbationthe death of a nation.
Manipulate yourself.

We're so, weak for,
Blaming persuasion.
Live a life based on imitation,
On imitation, on imitation.

So what is your drug of choice.
Pick your poison and enjoy.

Disasterbation the thrill of a nation.
Temptation is for sale.
Disasterbation the death of a nation.
Manipulate yourself.
Disasterbation the thrill of the nation.
Temptation is for sale.
Disasterbation the death of the nation.
Manipulate yourself.
